To the WSUSBC Board of Directors, Delegates and Guests,

Welcome to the 2026 Jamboree, thank you for being here and for your dedication to the sport of bowling.

We have a well-diversified Board of Directors that leads to having expertise in many areas.

Our Showcase committee again came up with workshops that we hope you enjoyed & take information with you back to your associations. If you ever have a topic that you feel would be of interest to the other delegates, please contact a board member or send an email with your suggestions.

Thank you to our board member Barb Pettinger and the South Sound USBC for running the Youth Championship Tournament. The youth are our future of bowling, and we need to do everything to make their bowling activities an enjoyable experience. Thank you for your commitment.

The USBC Convention will be held in Reno in a couple of weeks. I look forward to the seminars and the networking with the other delegates. We will be voting on two Proposed Amendments. One is for offsite voting (again) and the second one is to change a league rule on delivery.

Thank you and enjoy the day.

WSUSBC Delegates, Board of Directors, and Guests,

Cindy Card

Thank you all for attending the Washington State USBC annual meeting. This season as association manager has been a productive one. My priority coming into this position was to help tighten up administrative operations to improve processes for future years.

Tina Blough
East Director
Spokane County USBC

I started our season running the Senior Championships in Yakima and was greeted with immense support both from the bowlers and the local bowling community there.

Nonna Cook
East Director
Central WA USBC

During the slow part of our season, I focused on reorganizing our filing systems; moving physical files and digital files to SharePoint. This will help with file sharing and record retention. With my background in accounting, I was able to tidy up our Quickbooks chart of account. This will help improve communication both internally and to our members.

Leo Funari Jr
West Director
West Sound USBC

I greatly look forward to the Open and Women's tournament each weekend of May in Kenmore, and have received positive feedback from bowlers as we introduced online registration and multiple online payment options. The flexibility has allowed for the tournament registration process to feel efficient and seamless.

The Scholarship committee reviewed 12 qualified applicants this year. Prior to the February 1st deadline, the scholarship committee had received only one application, and a member of the committee proposed extending the deadline by two weeks to February 15th. The committee agreed. During this time, we received eleven more applications.

Each member of the committee evaluated each applicant. The committee met via a Zoom meeting. This included the entire committee and Sharron Wannamaker. During the Zoom meeting, a discussion took place about the applicants. The committee came to a decision on the top six applicants. The competition for our 6 scholarships was very competitive.

Our 2026 Scholarship winners will be introduced at our recognition dinner Saturday night:

Georgie Rahla, Snohomish County USBC – Dee Ashby Scholarship
Colton Styren, Spokane County USBC - Joe & Margaret Weber Scholarship
Zachary Jones, Skagit Valley USBC – Bob DeVleming Scholarship
Hattie Roy, South Sound USBC – Michael O'Connor Scholarship
Lexie Zabel, Snohomish County USBC – Ron Hicks Memorial Scholarship
Sydney Rehberg, Clark County USBC – Hall of Fame Scholarship

I would like to thank my committee (Brooke Johnson, Dustin Nakamichi, and Billie Stuart) for the long hours they put into evaluating each of the applicants.

Respectfully submitted,
Dennis Jackson
Chair, Scholarship Committee

I confide in them on what I have learned from others and what works for me. I listen to better bowlers to see what helps them in order to improve myself and pass that onto others.

Explain what you can contribute to the board for the benefit of the association members and what specific talents do you have that would be a benefit to the board and this state association?
 Hard work. I follow the rules and regulations. I enjoy myself in what I do and try to make sure others enjoy themselves for the betterment of the whole.
 I follow the rules and make sure the rules are followed. I seek out answers so that I can make informative decisions. I ask questions.
 I believe the bowling association is in place to help others navigate the sport in a manner that they can enjoy the sport.
